

BAES Outgoing Students | Tips for Mobility (information BAES Cohorts 2025/26 & 2026/27)

- All students registered in the BAES at UCM as start University must apply for an Erasmus+ scholarship for the compulsory two-semester mobility track.
- Students not submitting their application in the corresponding call will not get Erasmus+ funding!!
How should you proceed?

BAES students belonging to the **2025/2026** cohort:

2nd year students who will be going on compulsory mobility in their **5th semester** (from September 2027 to January 2028):

Must submit their application in the next **UCM Erasmus+ student mobility for studies (SMS)** call, which will open in **December 2026** (call for Erasmus applications 2027/2028)

BAES students belonging to the **2026/2027** cohort:

1st year students who will be going on compulsory mobility in their **3 & 4 semester** (from September 2027 to June 2028):

Must submit their application in the next **UCM Erasmus+ student mobility for studies (SMS)** call, which will open in **December 2026** (call for Erasmus applications 2027/2028)

Students in the 2026/27 cohort complete their major over the course of a full Academic Year (2027/28)

Important!

- Students will be duly informed by email by the BAES administrative coordinator when the corresponding Erasmus call for applications opens, as well as of any updates. The information will also be available in the [“mobility grants”](#) section of the [BAES UCM website](#).
- The **BAES administrative coordinator** will give support throughout the application process and any questions you may have.
