4.4. Grading System

Spain uses a 10-point grading scale. At the end of the semester, your UCM professors will grade your exams and assignments using this local system. Once grades are finalized in the UCM GEA system, they will be sent to Jagiellonian University and officially translated to the JU grading scale for your final transcript.

0.0 – 4.9	Suspenso (Fail) - Requires a resit exam.
5.0 – 6.9	Aprobado (Pass)
7.0 – 8.9	Notable (Good / Very Good)
9.0 – 10.0	Sobresaliente (Excellent)
