Alexandra Neonakis

Alexandria has been in games since 2007. She's currently the art director at Adhoc Studio in Los Angeles. Previously she was a senior concept artist at Wonderstorm and a character concept artist at Naughty Dog. Shipped titles include The Last of Us, Left Behind, Uncharted 4, Lost Legacy and The Last of Us Part 2.

She also does freelance illustration for children's books, working with publishers such as Simon & Schuster, Random House, Macmillain, Scholastic and Inhabit Media.

When she's not working, you'll find her at home with her husband John and their way too many pets, out in the desert getting frustrated while trying to paint in gouache, or at the barn she rides at hanging out with horses.
