Amy Beth Christenson

Amy Beth Christenson is an art director and visual development artist who has been working at Lucafilm for over 25 years. She began her career at LucasArts, working on several Star Wars titles, including the Force Unleashed series on which she was Lead Concept Artist. In 2011, she became a Senior Concept Designer at Lucasfilm Animation, working on Emmy award winning series Star Wars: The Clone Wars and Star Wars Rebels, before becoming Art Director for the Emmy-nominated Star Wars Resistance. Since 2019, Amy has been an Art Director for the Industrial Light & Magic art department. Some of her credits include Star Wars: Episode IX – The Rise of Skywalker, The Mandalorian, Alien: Romulus, and Wicked. She was VFX Art Director for Indiana Jones and the Dial of Destiny, and Lead Character Designer for Transformers: One. Her film, series, and game work cover a wide range of contributions, including: set, vehicle, creature and costume designs, key art, lighting and color design, visual effects, and storyboards.
