Aurora Jimenez

Aurora Jimenez is a Visual development artist and Production designer based in Los Angeles, California. She was born in Spain, where she received her education in Fine Arts at the Complutense University, and her master on Art Direction form film and tv at The ECAM, Madrid film school. Aurora started her animation career in Spain where She Production designed the animated feature: El Guerrero sin Nombre. Since then Aurora has worked as a visual development artist for over 20 years for major studios such as Universal, Sony Pictures Animation & Dreamworks Feature Animation. Her professional experience also covers designing for commercials and games, like the popular The Sims franchise at Electronic Arts. Her animation credits include: The Hotel Transylvania franchise ,VIVO, Bad Guys & Trolls 3 Band Together, among others.

She is currently designing for Locksmith Animation on the animated musical Bad Fairies (Locksmith & Warner Brothers).
