CONCEPT ART AWARDS
JURADO 2024

Carolina Tello Zeleski

Carolina Tello Zeleski is an award-winning art director, concept artist and Head of Visual Development at Sanzaru Games, a Meta Quest Games studio. Shewas the Art Director for the award-winning game Asgard's Wrath II.

Carolina is known for bringing fresh perspectives to art mentorship, putting the mental health, artistic growth and morale of her teams at the center of her work. Known for her playful and imaginative creative process, she subscribes to the notion that creating art and immersive experiences for gamers is a delight and a privilege.

Carolina holds a Bachelor of Arts degree in traditional illustration from the Academy of Art in San Francisco. She also enjoys writing music, painting, and printmaking. Born and raised in Chile, she now enjoys exploring life in the Portland Metro area with her husband, kid and dogs.
