CONCEPT ART AWARDS
JURADO 2024

Ellie Cooper

Ellie Cooper is an acclaimed digital Concept Artist renowned for her expertise in Unreal Engine 5, having crafted immersive environments and stunning visuals for industry giants such as MPC, Ubisoft, Arrowhead Games, Microsoft, Sony, Epic Games, Goodbye Kansas Studios, Disney, Paramount Pictures, Apple TV, and many more.

At the helm of Athena Productions, her visionary leadership continues to innovate at the intersection of video games, film, and TV, setting new benchmarks in the world of digital production. Ellie also empowers aspiring artists through her comprehensive courses at Learn Squared, and has been featured by NVIDIA and Epic Games multiple times. She has also given numerous industry talks about the use of Unreal Engine in Concept Art sharing her vast industry knowledge and fostering a new generation of digital creators. She has also achieved her Unreal Fellowship: World Building credential in 2023 which was featured by Epic Games on multiple platforms.
