CONCEPT ART AWARDS
JURADO 2026

Emily Bland

Emily Bland is a concept artist specialising in concept development for film and television. She is currently an Art Assistant at Industrial Light & Magic and Founder and Co-Director of Women in Concept Art.

Her experience spans visual development, keyframe art, environments, characters, props, graphics, 3D modelling, and technical drawing across film, television, games, and education. Emily has also lectured and mentored students at Nottingham Trent University, supporting the next generation of emerging artists.
