Floriane Marchix

Floriane Marchix is a French artist working as a feature Art director for Dreamworks Animation studio. She has also worked for Passion Picture studio, Google, Ubisoft and Aardman studio. She had worked on projects like Rayman Origins, Bad Guys, Croods 2, Dragon 3, Trolls World tour and many others. She had started her career in the video game industry before pivoting back to feature animation. She has a very versatile style and loves exploring new techniques. She has won multiple awards for her Gobelins short film “Inka Bola” and was a two time Annie Award nominee for best production design for the feature film Bad Guys 1 and 2.
