CONCEPT ART AWARDS
JURADO 2021

Jana Schirmer

Jana Schirmer is a German artist who was born in Cologne and lived in Berlin, before moving to sunny California.

Since she was a small child she always loved to draw and paint, but after being rejected by art school, she decided to become a self-taught artist.

Before joining the Marvel Studios team, Jana was a freelance illustrator and concept artist working mostly on video games and trading card games, as well as teaching at art workshops all around the globe.
