Jya Yan

Jiahuiyi(Jya) Yan, also known as **Jya.psd** on social media, is a seasoned concept artist and award-winning illustrator with extensive experience across video games and illustration. After earning a Bachelor of Science degree from the Art Center College of Art and Design, California, Jya has applied her artistic expertise across a wide range of styles in TV, video games, and illustration projects. She has freelanced with major clients, including Tencent, Terraform Studios, Universal Studios, Bonfire Studios, Netflix, Ford Lincoln Motor Company, contributing to well-known IPs such as Overwatch 2, Arkheron, and Fortnite. Fueled by fascination with dark fantasy realms, she is currently collaborating with indie game developers to build immersive worlds that evoke emotion and leave a lasting impression.
