JURADO 2024

Lily Bernard

After graduating from EMCA animation school, in Angoulême, France, I moved to Ireland to join Cartoon Saloon as a background designer and concept artist, contributing to The Secret of Kells, Song of the Sea, The Breadwinner, Wolfwalkers, and My Father's Dragon, Silly Sundays. I am the co-creator and art director of Puffin Rock. I recently established my own studio, Petit Cheval, to focus on visual development for animation, and video games. Other studios and productions I participated to include The Cuphead Show! (Lighthouse Studios/Netflix) and Koira (Tolima/DON'T NOD), Cafuné (Dr. Platypus & Ms. Wombat), Matchbox Mountain, and Mint.
