Lola Zhang

Lola Yiting Zhang is a concept artist in the entertainment industry. Currently working at Sony Interactive Entertainment, Sucker Punch Productions. She has collaborated with major clients such as Sony, Microsoft, and Netease on a variety of AAA game projects, including the recently acclaimed "Halo: Infinite" along with many other unannounced titles.

Lola is also an instructor with a focus on form language design, and takes an active part in industry workshops, talks, gallery exhibitions, and more.
