Sienne Josselin

Sienne is a Storyboard Artist & Illustrator for film & TV. She's mostly behind the scenes on live-action film and TV projects, conceptualizing beats for big ideas. Most recently, she worked on storyboards for Apple TV+, "Chief Of War" and The Gorge, and Magazine Dreams. When she's not designing action sequences, she teaches at the School of Cinematic Arts at University of Hawaii and the Illustration Department at CSU Long Beach.
