Yuxin Feng

Yuxin Feng is a story artist at Pixar, where she first joined as a story intern in 2021. She has contributed to projects including *Inside Out 2*, *Dream Productions*, *Toy Story 5*, and the upcoming original feature film *Gatto*. Prior to Pixar, she worked at Skydance Animation on *WondLa*, and contributed storyboard work for game cinematics and animated trailers for Riot Games and NetEase Games. Originally from Hangzhou, China, Yuxin earned her MFA in Animation from Academy of Art University and loves telling stories that make people laugh, feel seen, and connect with one another.
