“Interbeings”

▶ If you are a poet, you will see clearly that there is a cloud floating in this sheet of paper.

Without a cloud, there will be no rain
without rain, the trees cannot grow
and without trees, we cannot make paper.

The cloud is essential for the paper to exist.
If the cloud is not here, the sheet of paper cannot be
here either.

So we can say that the cloud and the paper inter-are.

To activate human cooperation

Empathy: Spiritual medicine that makes us one

3 Social factors to lead low empathy

Obedience to authority, ideology, in-group out-group relations

How to be more empathetic?

Donation pledge (experiment).

To innovate mindset
