IN THE BILINGUAL PRIMARY CLASSROOM

Facultad de Educación
UCM
24-25 October, 2017

This two-day workshop is part of the UCM Innovation Project: Innova-Docencia, no. 13, entitled “Initial Teacher Education for CLIL: Cross-curricular activities to develop social and civic competences in the bilingual primary classroom”. This is our fourth workshop on the topic at the School of Education and it is open to everyone.

Aims of the workshop:

This workshop will focus on the following objectives:

- To bridge the gap between university and primary classrooms and become more familiar with the bilingual school context through teacher experiences.
- To grasp a fuller understanding of the CLIL approach through the analysis of different cross-curricular resources and materials in order to develop citizenship in schools.

Contents:

Participants will have the chance to attend talks by practicing primary school teachers along with in-service and pre-service teacher education specialists. Educational experiences, materials, resources, activities and techniques will be presented to develop social and civic competences in the bilingual primary classroom.
