SCIENCES
BACHELOR'S
DEGREES
AND MASTER'S
DEGREES**

UNIVERSIDAD
COMPLUTENSE
MADRID

[www.ucm](http://www.ucm.es)  **es**

Bachelor's Degrees

- Biochemistry
- Biology
- Chemistry
- Food Science and Technology
- Geology
- Mathematics
- Mathematics and Statistics
- Physics
- Double degree in Computer Engineering - Mathematics
- Double degree in Economics - Mathematics and Statistics
- Double degree in Mathematics - Physics
- Ecosystem Restoration (consortium)
- Energy
- Environmental Geology
- Evolutionary Biology
- Genetics and Cellular Biology (consortium)
- Geological Processes and Resources
- Industrial and Environmental Biotechnology
- Meteorology and Geophysics
- Molecular Nano-and Bio-photonics for Telecommunications and Biotechnologies - Erasmus Mundus

Master's Degrees

- Advanced Math
- Advanced Palaeontology (consortium)
- Applied Plant Biology
- Astrophysics
- Biochemistry, Molecular Biology and Biomedicine
- Biomedical Physics
- Biostatistics
- Chemical Sciences and Technologies
- Conservation Biology
- Disaster Management (consortium)
- Ecology (consortium)
- Nanophysics and Advanced Materials
- Neuroscience
- New Electronic and Photonic Technologies
- Nuclear Physics (consortium)
- Optics and Imaging Technologies
- Organic Chemistry (consortium)
- Physical Anthropology: Human Evolution and Biodiversity (consortium)
- Theoretical Physics
- Zoology
