# 12<sup>th</sup> International B.E.S.T. Congress 2015

## Welcome Message

Dear Colleagues and Friends,

It is our great pleasure and honor to welcome all you to the 12<sup>th</sup> International B.E.S.T. Congress 2015. Each B.E.S.T. Meeting is designed to provide a comprehensive overview of the latest research and developments in bariatric and metabolic surgery. This time we will focus on Revisional Bariatric and Metabolic surgical procedures. To deal with this issue, many distinguished and experienced surgeons have joined the Faculty and will take part in our Round Tables and Live Surgery interventions.

As Directors of the meeting, we would like to invite all of you to attend and participate actively in this event. It will be a good opportunity for sharing experiences and to make some progress in the management of those very complex patients.

For those of you not familiar with Spain, it will be a splendid occasion for a family holiday before or after the congress in the beautiful city of Madrid. So, above all, we ask you to experience Madrid's festive way of life. Discover the many facets of this multicultural city renowned for its scientific work, world-class museums and universities, friendly atmosphere, and gourmet restaurants. We are certain that you'll take home with you many unforgettable memories.

Finally, we would like to express our thanks to the pharmaceutical and manufacturing companies for the generous support to this meeting.

Looking forward to seeing you in Madrid

**Antonio J. Torres (ESP)**

**Nilton T. Kawahara (BRA)**

## General Information

### Badge

All delegates are required to wear their official name badges at all times during the Congress.

### Certificates

Participants' certificates of attendance and Faculty will be inside the envelope you will receive at the moment of collecting your registration.

### Certificate of European CME credits

12<sup>th</sup> International B.E.S.T (Bariatric Endoscopic Surgery Trends) Congress 2015 is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide European CME credits (ECMEC) for medical specialists. Those credits will be sent by email once the Congress finished.

Registered participants will receive 1 ECMEC by each hour of attendance, with a maximum of 3 ECMECs for half a day and 11 ECMECs for the event.

Participants who have followed these 2 steps will receive the certificate:

1. Fill out the Evaluation Form and deliver it to the Technical Secretariat. Evaluation Form is inside the envelope you will receive at the moment of registration.
2. Attend to the sessions and make sure the hostesses read the code in your badge at the entrance.

If you need to claim anything about the European CME credits you have until **December 15<sup>th</sup>, 2015**. Please write an email to **best2015@pacifico-meetings.com**. After this date, **no claims will be accepted**.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme).

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
