## CURRENT POSITION

Vice Dean for International Affairs. Faculty of Economics and Business. Universidad Complutense de Madrid. Since December 2015.

Associate Professor. Department of Applied Economics. Universidad Complutense de Madrid. Since 2011.

Academic Secretary, Encounter of the Drug Industry. UIMP. Santander. Since 2009.

Associated Researcher. Centre de Recerca en Economia i Salut (CRES). Universitat Pompeu Fabra. Since 2007.

## OTHER POSITIONS

Visiting Professor. Faculty of Economics and Business Administration. West University of Timisoara, Romania (Universitatea de Vest din Timisoara). April 2015.

Visiting Fellow. Australian Centre for Economic Research on Economics of Health and Ageing (ACERH). The Australian National University. February to April 2012.

President. Scientific Committee. Spanish Health Economics Association Meeting. 2012.

Member of the Board of Directors. Spanish Health Economic Association. 2006-2012.

Assistant Professor. Department of Applied Economics. Universidad Complutense de Madrid. 2005-2011.

Visiting Scholar. Universidade Nova de Lisboa. April 2010.

Visiting Scholar. Columbia Business School. Columbia University. September 2008- January 2009.

Director, Encounter of the Drug Industry. UIMP. Santander. 2006-2008.

Lecturer. Instituto de Empresa. 2008-2011.

Coordinator. Madrid Seminar on Health Economics. Seminario de Estudios Sociales de la Salud y los Medicamentos. Universidad Carlos III Madrid. 2003-2008.

Visiting Professor, Department of Economics, Universidad Carlos III Madrid. 2003-2005.

Academic Secretary, Encounter of the Drug Industry. UIMP. Santander. 2004-2005.

## **FIELDS OF INTEREST**

Primary: Health Economics, Public Economics

Secondary: Industrial Organization, Labor Economics, Applied Microeconomics, Economics of Innovation.

## **DOCTORAL STUDIES**

Ph.D., Economics, Boston University, Boston, MA. January 2004.

Dissertation: "Risk Sharing and Risk Adjustment Strategies to Deal with Health Plan Selection and Efficiency".

First Advisor: Randall P. Ellis

Date of Completion: September 2003

Doctorate in Economics. Official Spanish Title, homologated by the Spanish Ministry of Education and Science.

Exp. Num.: 2004-07730/1.

## **PRE-DOCTORIAL STUDIES**

M.A. in Political Economy, Boston University, Boston, MA, 2001.

B.A. in Business and Economics, Universidad de Navarra, Pamplona, Spain, 1996.

B.A. in Violin, Conservatorio Superior Pablo Sarasate, Pamplona, Spain, 1995.

## **TEACHING EXPERIENCE**

International Economics. Universidad Complutense de Madrid. 2013-.

Industrial Organization. Universidad Complutense de Madrid. 2011-.

Applied Spanish Economy. Universidad Complutense de Madrid. 2011-.

Health Economics. MA in Economics. Universidad Complutense de Madrid. 2011-.

Health Economics. MA in Economics. Universidad Complutense de Madrid. 2011-.

Health Economics. MA in Economics and Political Economics. University of Bologna. 2014.

Health Economics. MA in Pharmaceutical Management and Policy. Hibernia College. 2011-.

Service Economics. Universidad Complutense de Madrid. 2009-.

Spanish Economy. Universidad Complutense de Madrid. Spring 2005-present.

Economics of Health Management. Universidad Complutense de Madrid. 2007-.

Economic Environment and the Economics of Healthcare. Instituto de Empresa. 2008-.

Applied Economics. Universidad Complutense de Madrid. 2006-2007.

Introductory Microeconomics, Universidad Carlos III Madrid. Fall, 2003/4 and 2004/5.

Course of specialization in the Pharmaceutical Industry. MA in Industrial Economics, Universidad Carlos III Madrid. 2004-present.

Health Economics. MA in Health Services Management. Agencia Lain Entralgo. Madrid. 2003-2006.

Health Economics. Course of Specialization in Economics of the European Union. Universidad Carlos III Madrid. 2004-present.

Health Economics. Estudi General Lul lià. Palma de Mallorca. 2004.

Intermediate Microeconomics, Universidad de Navarra. Spain, 1996-1997.

Information Economics, Universidad de Navarra. Spain, 1997-1998.

## **AWARDS ON RESEARCH AND FELLOWSHIPS**

Fellowship from the José Castillejo Program. *Ministry of Science and Innovation*. Spain. Support as a Visiting Scholar at Columbia University under the supervision of Professor Joseph E. Stiglitz. 2008-2009.

Financial support for attending the European Conference of Health Economics (ECHE 2006). Budapest. Granted by the *Spanish Health Economics Association*.

Financial support for attending the Econometric Society World Congress 2005. Econometric Society.

“ALdE Jóvenes Investigadores” First Award to a Young Researcher presenting at VIII Encuentro de Economía Aplicada hold in Murcia, in June 2005. *Asociación Libre de Economía* (ALdE).

Dissertation Research project award from the Health Care Financing Administration's Dissertation Fellowship Grants Program. This program awards each year to dissertation research projects on health economics to a maximum of 5-6 graduate students in prestigious doctoral programs in the United States. This program belongs to the *Centers for Medicare and Medicaid Services* (Department of Health and Human Services, United States). 2002.

XII Fellowship Program for graduate studies at foreign universities and research centers. *Ramon Areces Foundation*. 1998-2001.

Dissertation Fellowship. *Government of Navarre*. Pamplona. 2001-2003.

Graduate Fellowship, Universidad de Navarra, Pamplona, Spain, 1996-1998.

## **NON-ACADEMIC EXPERIENCE**

Summer Intern, NERA Economic Consulting, Madrid, Spain, 2000.

Research Officer, NERA Economic Consulting, Madrid, Spain, 2002.

## **RESEARCH PROJECTS**

“Evaluación clínica y de consumo sanitario del seguimiento telemático de una cohorte de pacientes infectados por el VIH”. Financed by the Instituto de Salud Carlos III (ISCIII), Ministry of Economics, Industry and Competitiveness, Spain. Project coordinator: Agathe León (Hospital Clinic, Barcelona). 2017-2020.

“Evaluating a Combination of Immune-based Therapies to Achieve a Functional Cure of HIV Infection-HIVACAR”. Financed by the European Commission, Horizon 2020 Research and Innovation Programme.

- Grant Agreement number 731626. IP at UCM: Manuel García-Goñi. Project coordinator: Felipe García (Idibaps). 2017-2021.
- “Análisis coste/utilidad de la implementación de una Unidad de Atención Temprana para jóvenes con primeros episodios psicóticos en la Comunidad de Madrid”. Financed by FUNCAS and Manantial Foundation. Managed by Universidad Carlos III de Madrid. 2017-2018.
- “Preferencias de los profesionales sanitarios en el tratamiento de la Leucemia Linfocítica Crónica en primera recaída”. Financed by GILEAD, managed by Outcomes10, sponsored by Sociedad Española de Hematología y Hemoterapia. 2016-2017.
- “Ageing and Health and social systems” (“*Envejecimiento y sistema sanitario y social. El gasto público y sus efectos en igualdad, dependencia y aseguramiento en España*”). Financed by the Ramon Areces Foundation. Principal Investigator: Manuel García-Goñi. 2014-2016.
- “Evaluating Preferences for Equity and Efficiency among National/Regional Health Policy Makers in Spain and Australia”. Financed by Instituto de Estudios Fiscales. Principal Investigator: Manuel García Goñi. 2011-2012.
- “La innovación en servicios y las interacciones entre servicios públicos y privados: el caso de la sanidad”, Financed by the Ministry of Sciences and Innovation (CICYT Program). Principal Investigators: Luis Rubalcaba (Universidad de Alcalá de Henares) and Manuel García Goñi. 2010-2012.
- “Analyzing the tradeoff between self-selection and moral hazard in the health insurance market”. Financed by the Spanish Institute for Fiscal Studies. Principal Investigator: Manuel García Goñi (Universidad Complutense de Madrid) and supervision of Professor Joseph E. Stiglitz (Columbia University).
- “The Contribution of Services to European Growth and Welfare and the Role of Public-Private Innovation Networks”. Financed by the European Commission, VII Framework Program. Principal Investigator at Universidad Complutense de Madrid: Manuel García Goñi. 2008-2010.
- Program on Pharmaceutical Policy Issues (PPPI). Financed by The Merck Company Foundation. Universities Carlos III de Madrid and Pompeu Fabra. Principal Investigators: Vicente Ortún (Universitat Pompeu Fabra) and Félix Lobo (Universidad Carlos III de Madrid). 2003-2009.
- “The Dynamic State”. GESM Project. Fundación Internacional para Iberoamérica de Administración y Políticas Públicas. Investigador Principal: Carlos Mulas Granados. 2007-2008.
- “Informe sobre la Gestión y Uso Racional del Medicamento en el Sistema Nacional de Salud”. Entidad Financiadora: Ministerio de Sanidad y Consumo. Investigador Principal: Manuel García Goñi. 2007-2008.
- “Informe sobre la internacionalización del sector de la consultoría en España”. Financed by ICEX (Instituto de Comercio Exterior). Principal Investigator: Luis Rubalcaba. 2007.
- “Health and Wealth”. PhRMA. Principal Investigator: Manuel García Goñi. 2006.
- “Risk Adjustment on the Spanish Health System as an Incentive for Efficiency.” Spanish Institute for Fiscal Studies. Principal Investigator: Manuel García Goñi. 2005-2006.

“Evaluación de sistemas de clasificación de pacientes en ámbito poblacional en una organización sanitaria integrada”. Financed by: Instituto de Salud Carlos III (PI06/90368). Principal Investigator: Josep Maria Inoriza Belzunce (Serveis de Salut Integrats Baix Empordà). 2006-2008.

“Classification of patients in an integrated health organization. Utility of the Clinical Risk Groups (CRG).” Agency of Evaluation in Technology and Research in Medicine (Project 128/01/2004). Principal Investigator: Josep Maria Inoriza Belzunce (Serveis de Salut Integrats Baix Empordà). 2005-2007.

“Ensayos de Economía Pública IV”. Research Project 2004-2007. Financed by the Spanish Ministry of Science and Technology (SEJ2004-01959/ECON). Principal Investigator: Javier Ruiz-Castillo Ucelay (Universidad Carlos III de Madrid).

“Innovation in the Public Sector, PUBLIN” Financed by the European Commission, V Framework Program (SERD-2002-00171). Conducted in Spain by University of Alcala and Servilab (Laboratory of Research in Service Activities).

“Using Risk Sharing and Risk Adjustment Strategies for Dealing with the Tradeoff Between Selection and Efficiency,” Centers for Medicare & Medicaid Services, January 2002 – January 2003, US\$30,055.
