

Hellgren, O., Pérez-Tris, J. & Bensch, S. 2009. A jack-of-all-trades and still a master of some: prevalence and host range in avian malaria and related blood parasites. *Ecology* 90: 2840-2849.

ERRATUM:

Olof Hellgren has reported an error in the published version of “A jack-of-all-trades and still a master of some: prevalence and host range in avian malaria and related blood parasites,” published in the October 2009 issue (*Ecology* 90:2840–2849). The denominator in the first display equation on p. 1842 is missing an exponent. The correct equation is as follows:

$$S_{TD}^* = S_{TD} + \frac{s - 1}{1 + \text{Var } S_{TD}^s}$$

The superscript *s* apparently disappeared when the printer made the final proof corrections. We apologize to the authors and to our readers for the error.
