EDUCATION:

- Ph.D.,** Ankara University, Graduate School of Natural and Applied Sciences, Major of Landscape Architecture (1993-2001).
- M. A.,** Master of Arts in Urban Management and Development, Specialization: City Development Strategies, Erasmus University, Institute for Housing and Urban Development Studies, Rotterdam, the Netherlands, (2004-2005).
- M. Sc.,** Ankara University, Graduate School of Natural and Applied Sciences, Major of Landscape Architecture (1990-1993).
- Intensive English Course** of the Department of Foreign Language, Ankara University, Graduate School of Natural and Applied Sciences, (1989-1990).
- B.Sc.,** Ankara University, Faculty of Agriculture, Department of Landscape Architecture, (1985-1989)

THESIS

- Açiksöz, S.** 2005. The urban agriculture cluster: Case of Bartın. The Master Thesis of Urban Management and Development, Specialization: City Development Strategies, Erasmus University, Institute for Housing and Urban Development Studies, Unpublished **M.A. Thesis**, Rotterdam, the Netherlands (in English).
- Açiksöz, S.** 2001. A research on the revision of "Atatürk Orman Çiftliği" under contemporary conditions with respect to urban agriculture in Ankara. Ankara University, Graduate School of Natural and Applied Sciences, Unpublished **Ph.D. Thesis**, Ankara.
- Açiksöz, S.,** Ait Ben Haddou, A., Andraka, S., Cortes, P., Hassani, B.T., Uku, S. 1995. Suggestions for the management of resources and activities in the mountain range of "Guara" (Propuestas integradas para la gestion de la recursos y actividades en la Sierra de Guara), as a

group study (with six researchers from different profession), The Mediterranean Agricultural Institute of Zaragoza, CIHEAM, Spain (in Spanish).

4. **Açıksöz, S.** 1993. A research on outdoor planning principles for new housing developments: case study “Cayyolu” project. Ankara University, Graduate School of Natural and Applied Sciences, Unpublished **M. Sc. Thesis**, Ankara (in Turkish).

EMPLOYMENT:

- Since 2011, she has been working as an Assoch.Prof. at the University of Bartın, Faculty of Forestry, Department of Landscape Architecture.
- She worked as an Assist.Prof. at the University of Bartın, Faculty of Forestry, Department of Landscape Architecture between 2008 and 2011.
- She worked as an Assist.Prof. at the University of Zonguldak Karaelmas, Bartın Faculty of Forestry, Department of Landscape Architecture between 2000 and 2008.
- She worked at the University of Ankara, Faculty of Agriculture, Department of Landscape Architecture as a Research and Teaching Assistant between 1991 and 2000.

COURSES and SCHOLARSHIPS:

- The Research Scholarship from Republic of Turkey, the Council of Higher Education: The Complutense University of Madrid (Universidad Complutense de Madrid, Investigaciones Feministas), Madrid, Spain, June 1- September 30, 2012.
- Intensive English Course, University Language Centre, Erasmus University, Rotterdam/ the Netherlands, 2005.
- Course on Management Planning for Wetlands Areas, Bursa, Turkey, 2000.
- Course on ERDAS Imagine Software, Ankara, Turkey, 1999.
- Intensive Spanish Course, University of Saragossa, Spain, 1998.
- The Research Scholarship from Spanish Government: Ecologic cities and urban farms in the frame of sustainable agriculture. University of Saragossa, Spain, March 1- May 31, 1998.
- Intensive Spanish Course, Inlingua, Zaragoza, Spain, 1994.
- Advanced Course on “Rural Planning in Relation to the Environment” from July 1994 to June 1995, The Mediterranean Agricultural Institute of Saragossa, CIHEAM, Spain.

- The Course on “The Efficient Use of Computers in Office Management, Data Handling, CAD & CAM and Training Program” given by Ankara University, Faculty of Agriculture, Department of Landscape Architecture, 1994.

ACADEMIC / ADMINISTRATIVE WORKS

2010-Present: Vice Chair of Department of Landscape Architecture.

2007-Present: Chair of Sub-department of Landscape Techniques.

2001-2004: Chair of Sub-department of Landscape Techniques.

PROFESSIONAL EXPERIENCE:

2000-2012: As an Instructor in the following undergraduate courses; “Environment Problems”, “Rural Landscape Planning”, “Professional Application Knowledge”, “Relations of Human and Environment”, “Project II, III, IV”. As a Lecturer in the following M.Sc. and Ph.D. courses; “Environmental Management”, “Visual Analysis of Landscapes”, “The Basic Design’s Elements and Principles, Design Process”.
