DATA OF INTEREST

1. EXCELLENCE AWARD: PhD-EngLin-UCM has consistently maintained an Excellence Distinction from the first call by the Ministry of Education in 2004 (Resolution of June 22, 2004; Resolution of October 31, 2005; Resolution BOE of October 20, 2011). Likewise, PhD-EngLin-UCM, in its previous outline, was selected among the best PhD Innovation Projects.
2. English, nowadays a consolidated academic and research area throughout Spain, was launched in the UCM almost sixty years ago. Thanks to this RESEARCH AND TEACHING TRADITION (among other factors), faculty members have contributed to the development of the discipline with internationally recognized publications in the most varied areas, as their [personal CVs](#), projects and groups of research demonstrate. PhD-EngLin-UCM offers a distillation of this broad scientific background of its faculty members through a course of INNOVATIVE CONTENT that adequately fits the interests of the academic community and the professional profiles required by society in general.
3. PhD-EngLin-UCM is an integral part and contributes to the development of the research STRATEGY (I+D+i) of Complutense University. Some of its research groups are integrated in the so-called EXCELLENCE CAMPUS, within the cluster of [Heritage](#).
4. Singularly, the Academic Committee of PhD-EngLin-UCM enjoys the support of two EXTERNAL CONSULTANTS assessing on quality criteria.
