TEACHING INNOVATION PROJECTS

PRINCIPAL INVESTIGATOR

- "Promotion of Female Talent at Universidad Complutense de Madrid (UCM)": Funded under the UCM Innova-Docencia call. This project resulted in 2 conference presentations at teaching congresses and the publication of one book chapter and one abstract with an ISBN. Academic year 2021-2022.
- Project "Globalization: A View from Public Policy / Globalization from a public policy perspective": I promoted, disseminated, and taught sessions under a recognition granted by the Department of Applied Economics II (UCM). Academic year 2017-18. The project also received official credit recognition from UCM.
- Project to Promote the Importance of Firm Internationalization among Students: I taught the "Seminar on Multinationals and Internationalization" for students under the framework of the Department of Applied Economics II (UCM) in the academic years 2011-12 and 2013-14. Received recognition as free-elective credits by the Complutense University of Madrid in the 2013-14 academic year.
- Young Entrepreneurs Project: I organized this project, which was recognized with free-elective credits by the Complutense University of Madrid, and taught several sessions totaling 10 hours. Academic year 2010-2011.
- Project for the Creation of a "Humanities Degree" for University Students, equivalent to a Pre-Graduate Master's, with official recognition from the Universidad San Pablo-CEU. I signed the agreement for the creation of this humanities degree and supervised its development during the academic years 2007-2008, 2008-2009, 2009-2010, and 2010-2011.
- Development of several Multidisciplinary Academic Projects for University Students, offering a range of various courses recognized with free-elective credits by the Complutense University of Madrid. Academic years 2007-2008, 2008-2009, 2009-2010, and 2010-2011.
- Current Economic Analysis Project: I organized this project, recognized with free-elective credits by the Complutense University of Madrid, and taught one 2-hour session. Academic year 2009-2010.
- Project "English & Globalisation": I organized this project to promote English among students, which was recognized with free-elective credits by the Complutense University of Madrid, and acted as a teacher in 4-hour sessions across its 3 editions (which took place in academic years 2006-2007 and 2007-2008).
- Project on University Excellence within the framework of the European Higher Education Area (EHEA): I prepared, coordinated, and disseminated this initiative, recognized with free-elective credits by the Complutense University of Madrid, and additionally taught one session within it academic year 2005-6.

TEAM MEMBER

- "Gamification in the Classroom with Kahoot! in the Faculty of Statistical Studies": Funded under the UCM Innova-Docencia call. Resulted in a presentation at the "Jornada Aprendizaje Eficaz con TIC en la UCM" and a publication with Ediciones Complutense. Academic year 2019-20.
