

LOCAL LINGUISTIC LANDSCAPES  
FOR GLOBAL LANGUAGE EDUCATION  
IN THE SCHOOL CONTEXT

# ONLINE TRAINING WEEK

18-22 JANUARY 2021

COME JOIN US ON GOOGLE CLASSROOM  
AND ZOOM!

Asynchronous and synchronous sessions  
(6 compulsory synchronous hours)

## AIMS:

- To reflect and discuss about the concept of Linguistic Landscapes (LL) and its integration in teaching practices.
- To promote awareness of language presence, roles and dynamics in the community.
- To develop knowledge about the educational added value of mapping local LL, namely using the LoCALL app.

## ACTIVITIES:

Webinars, virtual visits to museums, games, video and postcard creation, experimentation of a new App, social party... and many more!

## TARGET AUDIENCE:

University teachers, schoolteachers, researchers, Master and PhD students... and all of those interested in the topic!
