First name(s) / Surname(s) **JOSE ANTONIO GARCIA MARCO**

Address(es) Isaac Albéniz 13-1-D, 28220 Majadahonda, Madrid, Spain

Telephone(s) Fixed: +34 916027225 Mobile: +34 626688080

E-mail jagarciam@aehh.org

Nationality Spaniard

Gender Male

**Desired employment /
Occupational field** Clinical Haematology
Molecular Cytogenetics
Translational Research

Work experience

1998-2022 Consultant Haematologist at Servicio de Hematología y Hemoterapia, Hospital Universitario Puerta de Hierro-Majadahonda, Madrid and Head of the Molecular Cytogenetics Unit and Head of the Translational Research Unit of Chronic Lymphoproliferative Disorders.

1997 Honorary Visiting Post-doctoral Research Fellow, The CRC Human Molecular Genetics Group, Department of Clinical Oncology, University of Cambridge, UK

1996-97. Senior Clinical Associate Specialist in Haematology, Academic Department of Haematology and Cytogenetics, The Royal Marsden Hospital, London, UK

1993-96: Honorary Senior Registrar, Academic Department of Haematology and Cytogenetics, The Royal Marsden Hospital, London, UK

1991-92: Clinical Research Fellow, Academic Department of Haematology and Cytogenetics, The Royal Marsden Hospital, London

1988-91: Clinical Specialist, Servicio de Hematología, Hospital General Universitario de Valencia.

1985-87: Clinical Specialist, Unidad de Urgencias de Medicina Interna, Hospital Clínico Universitario de Valencia, Spain.

Dates

1998-2022. Head of the Molecular Cytogenetics Unit, Hematology Department, Hospital Puerta de Hierro-Majadahonda, Spain, Employee for Servicio Madrileño de Salud

1996-97. Post-doctoral Research Fellow, Department of Clinical Oncology, Addenbrooks Hospital, University of Cambridge, UK; under supervision of Professor Bruce Ponder

1996-97. Senior Clinical Associate Specialist in Haematology, Academic Department of Haematology and Cytogenetics, The Royal Marsden Hospital, London, UK. Employee for Professor Daniel Catovsky

1995-97. Lecturer/Senior Lecturer in Onco-Haematology, University of London, UK

1993-96. Honorary Senior Registrar, Academic Department of Haematology and Cytogenetics, The Royal Marsden Hospital, London, UK. Employee for Professor Daniel Catovsky

1991-93. PhD student, Academic Department of Haematology and Cytogenetics, The Royal Marsden Hospital, London and the Leukaemia Epidemiology Department; Institute of Cancer Research, London, UK, under supervision of Professor Daniel Catovsky and Professor Mel Greaves respectively.

Education and training

Dates 2001: Honorary Professor, Department of Medicine, Universidad Autonoma de Madrid
 1996: Lecturer in Onco-Haematology, University of London
 1996 Specialist in Haematology (European Union), General Medical Council, London, UK
 1993 PhD Thesis Universidad de Valencia, Spain (higher qualification)
 1986 M.D. Thesis Universidad de Valencia, Spain (higher qualification)
 1981-84 Specialist Training in Internal Medicine, Hospital Clínico Universitario de Valencia, Spain
 1974-80 Licensed in Medicine and Surgery, Facultad de Medicina de Valencia, Spain

Organisational skills and competences

I am in charge of the Molecular Cytogenetics Unit and head of translational research of chronic lymphocytic leukemia at Hospital Universitario Puerta de Hierro-Majadahonda, Madrid, Spain.

In our laboratory we perform conventional Karyotyping, FISH, molecular diagnosis and measurable residual disease using RT-PCR, RQ-PCR, Sanger and next generation sequencing for acute and chronic leukemias, myeloproliferative disorders and quantitative chimerism for allogeneic stem cell transplantation.

My main research interest is focused on the study of molecular cytogenetics in chronic lymphocytic leukaemia (CLL) for the analysis of molecular abnormalities as prognostic and predictive factors of response to treatment and the use of new drugs for the treatment of CLL and other chronic lymphoproliferative disorders.

Research Grants: 29

Principal investigator in Clinical Trials: 73
