Una Europa Summer School 2024: Sustainability in communication and education

Spreading the word | Creating awareness

1-5 July 2024, 9:00 to 18:00

Alma Mater Studiorum - Università di Bologna
University of Bologna, Dept. of Education
Via Filippo Re 6, Bologna, Italy

This Una Europa Summer School invites PhD students from different countries and different scientific backgrounds to come together and explore the themes of sustainability communication and education.

The school will offer lectures, workshops and field trips given by the teaching staff from across Una Europa partner universities, including Università di Bologna, Freie Universität Berlin, University College Dublin, Helsingin yliopisto/Helsingfors universitet, KU Leuven, and Universidad Complutense de Madrid.

Combining a transdisciplinary approach with a focus on the improvement of soft skills, the Summer School aims at equipping participants with a critical, theoretical framework regarding the concept of sustainability and strengthening skills for developing strategies and capabilities related to sustainability education and communication.
