

## **Information letter**

Moscow State Linguistic University, being the hub organisation for the study of the languages and cultures of the CIS states is pleased to inform you that the university holds intensive courses for studying the languages of the CIS states. The courses are aimed at all language level students from beginners to advanced.

Starting September 31, we are offering remote language studies of the same languages. The Kyrgyz language online studies welcome students right now.

The list of languages includes Azerbaijani, Armenian, Georgian, Kazakh, Kyrgyz, Romanian, Uzbek, Ukrainian, Tajik.

Details of the courses:

- Period of study – 3 months.
- Number of academic hours – 108.
- Number of students in a group – 8-10.
- Tuition Fee – 25 600 RUB.

After the completion of the courses all students are granted with MSLU official Certificates.
