VITAL STATISTICS:

Born May 4, 1965, Alicante, Spain. EU citizen. Three children (1992, 1997, 1998)

SHORT BIOGRAPHY:

Cristina Montiel is a Full Professor of Geography and Chair of the Research Group on Forest Geography, Policy, and Socioeconomics at the Complutense University of Madrid (UCM), Spain. She held several positions as a lecturer in the University of Alicante before. She has also been a Visiting Professor at the Department of Agraria of University of Napoli "Federico II" (Italy), a Visiting Scholar at the Institute of the Environment and Sustainability of the University of California, Los Angeles (UCLA, USA), a Visiting Fellow at the Department of Geography of the University of Provence (France) and a Visiting Academic at the University of Melbourne (Australia). She has served as Head of the Department at UCM from July 1st 2010 to November 7th 2017.

Prof. Montiel has received numerous national and international awards over the course of her academic career including the Graduate National Award, the University Award for Excellence in Teaching (for the academic years 2005-06, 2014-15, and 2015-16, and the period 2014-17), the National Award for Publications on Agriculture, Fisheries and Food (1994) and the Golden Award for Fire Research (2016). She has also been recognised as one of the 145 women leaders in fire science in the world by the scientific journal Fire (MDPI). Her domains of experience and expertise are the social sciences applied to spatial planning, sustainable development and forest management.

She has participated in and coordinated several national and European projects (INTERREG IIIB, Integrated Project in the 7th Framework Program, COST Actions, ERANET Networking actions). She has also been very active in promoting discussion, participation and collaboration among public institutions and private stakeholder for rural development. She has been a member of several scientific European committees, steering committees and supervisory boards.

RESEARCH INTERESTS:

Social Sciences, Geography and Spatial Planning, Environmental History, Pyrogeography, public policies assessment, governance mechanisms, natural hazards, fire use practices and wildfire risk, forest policy and socioeconomics.

DEGREES:

Ph.D. (with distinction), University of Alicante, Geography 1992
Bachelor (Highest Honors), University of Marseille II (France), Geography, 1990
Master, University of Alicante, Spatial Planning, 1989
Bachelor (Highest Honors & Graduate National Award), University of Alicante, Geography and History, 1988

ACADEMIC CAREER:

2007 – Full Professor, Department of Geography, Complutense University of Madrid
1997 – Chair, Research Group Forest Geography, Policy and Socioeconomics, Complutense University of Madrid
2010 – 2017 Head, Department of Regional Geographical Analysis and Physical Geography, Complutense

University of Madrid

- 2005 – 2006 Visiting Professor, Department of Geography, University of Provence (France).
1996 – 2007 Associate Professor, Department of Regional Geographical Analysis and Physical Geography, Complutense University of Madrid.
1993 – 1996 Associate Professor, Department of Regional Geographical Analysis and Physical Geography, University of Alicante (Spain)
1988 – 1993 Assistant Professor, Department of Regional Geographical Analysis and Physical Geography, University of Alicante (Spain).

SCHOLARSHIPS, FELLOWSHIPS, HONORS:

University Guest (Academic) within Ecosystem and Forest Sciences in the University of Melbourne (Australia), 2020.

Visiting Professor at the Università Degli Studi Di Napoli Federico II (Italy), Dipartimento di Agraria, 2019.

Visiting Scholar at the University of California, Los Angeles (UCLA), Department of Geography, 2019.

Visiting Academic at the University of Melbourne (Australia), School of Ecosystem and Forest Sciences, 2018.

International scientific leadership recognition: “Recognizing women leaders in fire science: revisited”, *Fire*, 2018,1, 45.

Co-recipient, "El Batefuegos de Oro" (Golden Fire Swatter) Award, Category Best Research, 2016.

University Award for Excellence in Teaching: for the academic years 2005-06, 2014-15, and 205-16, and for the period 2014-17.

Visiting Scholarship at the University of California, Los Angeles (UCLA), Department of Ecology and Evolutionary Biology & La Kretz Center for California Conservation Science, 2015.

First Prize, Scientific Poster Award, in the European COST Strategic Conference “Global Change and Sustainable Development in Mountain Regions” (Innsbruck-Switzerland, 7-9 April 2008), for an outstanding poster presentation. Topic of the presented poster: “Tradition, renovation and innovation of land uses in Mediterranean mountain areas”, 2008.

Complutense Research Award, for the work entitled “Estructura de la propiedad forestal en la provincia de Soria. Génesis y propuestas de gestión de los patrimonios societarios”, 2007.

University Award for Excellence in Teaching: one of the top ten teachers at Complutense University of Madrid, for the academic year 2005-06.

National Award for Publications on Agriculture, Fisheries and Food: Second Prize for the work entitled “Los montes de utilidad pública en la Comunidad Valenciana”, 1994

SERVICE:

Scientific member of FORMAS (Swedish Research Council for Sustainable Development) Review Panel ‘Climate Change’, Sweden, 2019-2022.

EU Expert, European Commission, IF- H2020-MSCA-IF-2019- European & Global Fellowships, 2019-2020.

Expert Research Advisor, European Commission, H2020 RTD-ENV-EXPERTS, 2017, 2021, 2022.

Committee member, Doctoral Programme in Geography, Complutense University of Madrid, 2013-2017

Faculty Council member, Faculty of Geography and History, Complutense University of Madrid, 2010-2017.

Deputy Coordinator, ERANET Network Action FORESTERRA-MedWildFireLab, 2014-2017

Consultation Panel member, 7th EU Environmental Action Programme, 2012.

Supervisory Board member, Fire Ecology and Management Pau Costa Foundation (PCF), 2011-2015

Board of Directors member, European Integrated Project FIRE PARADOX, 2006-2010

International Expert Group on cultural values in sustainable forest management criteria & indicators member, Ministerial Conference for the Protection of Forests in Europe, 2006-2007

National Panel of Advisors member, European Research of Innovation Project “Sustainable management of Europe’s natural resources, GoFOR”, 6th Framework Program, 2004-2006

Steering committee member, INTERREG IIIB-SUDOE Programme “Organisation of networks and cooperation actions for the Mediterranean forests”, 2003-2005.

Management Committee member, Editorial Board member and Task-force leader, European COST Action E27, Protected Forest Areas in Europe: analysis and harmonisation, European Commission, DG XII-AP, 2002-2006

Working Group member, European COST Action E19, National Forest Programmes in a European context, European Commission, DG XII-AP, 1999-2003

Board of Directors member, International Association of Mediterranean Forests (IAMF), 1999-2004

Research project proposal reviewer: FORMAS Review Panel for a call on Forest Fire in Central Sweden. The Swedish Research Council for Environment, Agricultural Sciences and Spatial Planning, 2014 & 2018; Spanish Ministry of Economy and Competitiveness, 2016-2020
