

**Statement of Authorship and
Ethical Use of Artificial Intelligence (AI) Tools**

I, _____,

DNI/NIE/PASSPORT _____,

hereby declare that this Master's Thesis (TFM)
entitled _____

is the result of my own personal and creative intellectual work, and has been prepared in accordance with the ethical principles and the integrity standards in force in the academic community and, more specifically, at the Universidad Complutense de Madrid.

I am therefore the author of the material included here and, where this is not the case and I have taken material from another source, I have cited it or clearly declared its origin (including, where applicable, artificial intelligence tools). The main ideas and contributions in this work, which demonstrate the acquisition of competencies, are my own and do not come from other sources, nor have I rewritten them using material from other sources.

Likewise, I affirm that the data and resources used are legitimate, verifiable, and obtained from reliable, authorized sources. In addition, I have taken measures to ensure the confidentiality and privacy of the data used, avoiding any type of bias or discrimination in the handling of the information.
