FACULTY OF EDUCATION – COMPLUTENSE UNIVERSITY

MADRID - June 3-5, 2024

- The Faculty of Education of the Complutense University of Madrid is located in the vicinity of "Ciudad Universitaria". This is a large campus with several student residences, all of which are highly recommended for their prices and facilities. However, if you prefer a more immersive experience in the city of Madrid, we advise you to choose a hotel. The closest hotels to the Faculty of Education are located at the "Cuatro Caminos" and "Moncloa" metro stations. In any case, if the proposals do not convince you feel free to look for a different hotel than the one recommended here. The city of Madrid has a great variety of hotels and its offer is very wide.

Due to the high demand for accommodation in the city of Madrid during the month of June, we recommend that you make your reservation as far in advance as possible.

**Hotel room rates are approximate and may vary. Residence hall prices do not vary.*
