

Nombre: Elena de la Cuesta Elósegui

Email: ecuestae@ucm.es

Teléfono de contacto: +34 913941821

Posición y cargo: Catedrática de Química Orgánica

Grupo de Investigación: Heterociclos de interés biológico y terapéutico (BIOHET)

Docencia: Grado en Farmacia, Máster en Descubrimiento de Fármacos (interuniversitario), Doctorado en Química Médica (interuniversitario)

Área de Conocimiento: Química Orgánica

ORCID: 0000-0001-8514-9725 **Researcher ID:** H-4818-2015

Biography: Elena de la Cuesta Elósegui was born in San Sebastián (Spain) in 1953. She studied Pharmacy at the Complutense University of Madrid where she obtained her degree (Licenciatura) in 1975, and her PhD in 1981 under the guidance of Professor Paloma Ballesteros. After 8 months post-doctoral stay at the Junta de Energía Nuclear (División de Isótopos), Madrid with the Dr. Barrachina and one year with Professor François Mathey at the École Polytechnique, Palaiseau she joined the Department of Organic and Pharmaceutical Chemistry at the Faculty of Pharmacy of the University Complutense. Since 1984 she has been associate Professor (Prof. Titular) and in 2010 she was promoted to full Professor. Her current interests are in the area of the synthesis of heterocyclic compounds, natural product analogues, with potential biological activity.

Research Interest: Síntesis de Heterociclos con potencial acción bilógica
