

Nombre: Aida Flores

Email: aiflores@ucm.es

Teléfono de contacto: +34913941820

Posición y cargo: Profesor Ayudante Doctor

Grupo de Investigación: Biotransformaciones **TGB**

Docencia: Grado en Farmacia

Área de Conocimiento: Química Orgánica

SCOPUS: ORCID: Researcher ID: 8110112000/0000-0001-7465-6377/

[Web](#)

Biography: Aida Flores Aguilar-Amat obtained her degree in Chemistry Science at *Universidad Autónoma de Madrid* in 2001 and her PhD in Organic Chemistry at the same University in 2007. After three years of postdoctoral research in the group of Prof. Donohoe at Oxford University (United Kingdom), she joined Prof. Camarasa group at *Instituto de Química Médica-CSIC* (Madrid). In 2015, she incorporated to Health Science School at *Universidad Europea de Madrid* and since September 2021, she works as Assistant Professor in Pharmaceutical Sciences department in the Pharmacy School at *Universidad Complutense de Madrid*. She is author of 15 index publications in renowned journals and has participated in several congresses and projects. She has experience teaching subjects in the Organic Chemistry and Pharmaceutical Chemistry field in Pharmacy, Human Nutrition and Dietetics, and Biotechnology degrees.

Research Interest: asymmetric organic synthesis, structure-activity studies, natural products synthesis, organic methodologies.
