

Nombre: Elena Rodríguez Rodríguez

Email: elerodri@ucm.es

Teléfono de contacto: +34913947216

Posición y cargo: Profesor Contratado Doctor

Grupo de Investigación: Miembro del Grupo *Valoración Nutricional de Individuos y Colectivos. Metodología y Aplicaciones (VALORNUT-920030)*

Docencia: Grado en Farmacia, Doble Grado en Farmacia y Nutrición Humana y Dietética, Grado en Ciencia y Tecnología de Alimentos, Máster Universitario en Análisis Sanitario.

Área de Conocimiento: Química Analítica

SCOPUS: 35262367600, **ORCID:** 0000-0003-3513-4642 **Researcher ID:** I-1836-2017.

Biography: Elena Rodríguez obtained her Doctorate at University Complutense of Madrid (UCM) in 2008, obtaining the Extraordinary PhD Award. She is a member of the VALORNUT research group since 2003 and she has participated in 25 research projects. The results obtained in the investigations have been disseminated and published in national and international journals (being co-author of more than 50 publications), and in national and international conferences (being co-author of more than 80 presentations). Her research work has been completed with two stays: the first, in 2006, at the "Obesity Biology Unit" belonging to the University of Liverpool, and the second, in 2016, at the Institute of Science and Food and Nutrition Technology (ICTAN), which belongs to the CSIC.

Research Interest: Biochemical analysis, nutritional status assessment, nutrients, bioactive compounds.
