

Nombre: José María Sánchez Montero

Email: jmsm@ucm.es

Teléfono de contacto: 913941839

Posición y cargo: Catedrático de Química Orgánica en el Departamento de Química en Ciencias Farmacéuticas

Grupo de Investigación: Biotransformaciones

Docencia: Grado en Farmacia, Doble Grado en Farmacia y Nutrición Humana y Dietética y Máster interuniversitario en descubrimiento de datos.

Área de Conocimiento: Química Orgánica

SCOPUS: ORCID: Researcher ID:

[Web](#)

Biography: Dr. José María Sánchez Montero degree and Ph.D. in chemistry from the University of Córdoba. Ph.D. in Chemistry (1989) He is Full Professor at the Department of Chemistry in Pharmaceutical Sciences in the Faculty of Pharmacy of the University Complutense Madrid (Spain) He has participated in 30 research projects and published more than 100 papers in international journals and several chapters of books, having registered at present three patents. He has also presented more than 70 papers in national and international congresses. He has lectured in several countries and has directed 9 proceedings of Bachelor's degree and 8 doctoral theses. Academic corresponding of the Royal National Academy of pharmacy. A founding member of the Spanish Society of Biotechnology and the European Federation of biotechnology as well as the Spanish technology platform for sustainable chemistry. He has received several awards for his research including the award of Real Academia Nacional de Farmacia in 2015.

Research Interest: His research interest, mainly focuses on Biocatalysis, Biotransformations, Pharmaceutical Chemistry. Computational Chemistry.
