**(Brief Course Description)**

[Last revised: November 2022]

**Islam, Cristianity and Judaism in Spain: Culture, Religion and Society**  
(Spring semester)

This course will analyze the co-existence of Christians, Jews and Muslims in Spain throughout its history and in the present day. There will be a focus on the intellectual, cultural, religious and political aspects as well as on the formation and development of the religious communities within the multi-religious and multicultural context.
